MARKETING SERVICES FOR RESELLERS

SOCIAL MEDIA MARKETING

Helps to create your companies perceived value and expertise. We can tailor postings towards your target audience, customers, and vertical markets you focus on.

www.s3reps.com/social-media

VIRTUAL BACKGROUNDS

Portray your company's identity and brand in every outbound video call. Simply select your office background, fill in your information and upload your logo.

www.s3reps.com/virtual-backgrounds

WEBSITE CREATION & CONTENT DELIVERY

If you need fresh and relevant content such as product technology, services, industry news or more. We can deliver content directly to your existing web site. Or we can create a fresh and new site for you. All specialized for the low voltage reseller.

www.s3reps.com/website-creation-content-delivery

MARKETING COLLATERAL

Reinforce your brand through consistent design, colors and logos. Create letterhead, presentations, brochures and other collateral. Branding reinforcement helps keep your company in thoughts and minds.

Professional Services Companies are typically thought of as Accountants, Lawyers, or any service the typical Small to Mid-sized business would outsource rather than see value in having full-time internal employees. At S3 we have customized our services to be those most beneficial and least likely to be full-time employees for our Channel Sales Partners. Thus enabling us to be more helpful, valuable and integrated with our partners.
